Nomadic Tales is a soulful furnishing collection that pays homage to the enduring spirit of heritage artistry and nomadic craftsmanship. This collection draws inspiration from the time-honored Kelim weaves, which brings to life bold geometric patterns, symbolic motifs and a rich palette influenced by the journeys of ancient nomadic cultures. Designed as a versatile offering of printed fabrics, Nomadic Tales is ideal for upholstery, curtains, blinds, and cushions. Each design tells a story—rooted in cultural legacy yet refined for modern living—celebrating movement, memory, and the woven traditions passed down through generations.
