Oscar

decorative jacquard curtains

Oscar is a sophisticated jacquard curtain collection featuring five striking designs that beautifully blend matte and shine. The fabric's ground has a subtle slub-like matte texture, while the designs are highlighted with a delicate sheen, adding depth and elegance. This collection includes a timeless classical damask, an all-over daisy floral, a refined vertical texture, a distressed pattern, and a unique animal skin-inspired distressed chevron. Available in a serene palette of neutrals and soft pastels, Oscar brings a perfect balance of texture and luminosity, making it an ideal choice for interiors that seek understated luxury with a contemporary touch.
