tribal printed upholstery

Zulu is an exquisite furnishing collection inspired by the bold black-and-white tribal patterns of the Zulu tribe, celebrated for their rich cultural heritage and artistic expression. This collection reimagines the iconic geometric motifs, often symbolic of identity, unity and tradition, into versatile fabrics perfect for upholstery.

Featuring a harmonious blend of striking prints, textured dobby weaves, and intricate accent embroidery, Zulu brings a timeless elegance to contemporary interiors. Each design echoes the rhythm of tribal craftsmanship, offering a connection to the cultural roots of South Africa while elevating modern décor.
